RE: Answer to Defendants

They want "c-u-s" for the court to dismiss plaintiff's complaint because I did not do it sooner when I did the last Amend, or I did not know what was going to happen in the future, these Dr & nurse did not care to help me, so I think they should pay for the lie & pain that they let me in, Physical, emotionally, mental, so please don't dismiss my complaint.

sincerely
David De Jesus Sr
